Bimini Big Game Club Resort & Marina Completes Phase I of a \$5.6 Million Renovation

ALICE TOWN, THE BAHAMAS—JUNE 10, 2015—“Come on in- the water’s fine”, is the new mantra for the Bimini Big Game Club Resort & Marina. Featuring a new family-sized pool, two completely re-built docks at the 75-slip marina, and several improvements to the boutique resorts’ 51-rooms, the popular Bimini Big Game Club Resort & Marina is looking forward to a very busy summer season.

Phase I of the renovation program entailed demolition of the existing pool and rebuilding a brand new, larger pool (44’ by 60’), updating for the 75-slip marina (docks A and B), and several other capital improvements to the property, including landscaping for the entire resort, painting interiors and exteriors, and new windows, sliding glass doors and ceiling tiles.

“We appreciated the patience of those who have stayed with us in recent weeks and those who have booked guests for the next few months in anticipation of the pool completion and upgrades being added,” said General Manager Dafna Ronis.

The Bimini Big Game Club Resort & Marina has long been a Bimini destination favorite, drawing heavily from South Florida (just 50 miles away) as well as being a regional, national and international draw for those looking to experience Bimini’s True Island Feel that has appealed to thousands of visitors, including author Ernest Hemingway.

Resort owner Southern California-based Hankey Group of Companies said a second phase of work will be completed in the fall, including a C Dock re-build.
